FUNDRAISER SHIRTS FOR ABC INDONESIA

We're broke.

Job applications have become love letters that never get a reply—straight to the HR dumpster. Meanwhile, rent's still due, and one of our friends urgently needs ongoing medical care.

After some hungry conversations over sachet coffee, we made a call: let's sell t-shirts!

Not just to survive, but to help cover our friend's treatment and slowly start working on the collective projects we've been dreaming of.

If you're interested in getting a shirt, sending support (emotional or financial), or just throwing us a few kind words, feel free to DM us. For donations or questions, drop us an email at: palanghitam@riseup.net

Kami sedang bokek.

Lamaran kerja sudah seperti surat cinta tak berbalas—ujung-ujungnya

masuk tong sampah HRD. Sementara itu, sewa kos tetap harus dibayar, dan salah satu kawan kami masih harus bolak-balik rumah sakit buat pemeriksaan rutin.

Setelah ngobrol-ngobrol sambil nahan lapar dan ngopi sachet, akhirnya kami sepakat: jualan kaos!

Bukan cuma buat bertahan hidup, tapi juga demi membiayai kawan kami yang sangat butuh perawatan intensif—dan juga pelan-pelan merencanakan proyek kami ke depannya.

Kalau kalian tertarik beli kaos, ngasih semangat, atau recehan, langsung saja DM kami.

Untuk donasi atau pertanyaan lainnya, bisa juga kirim email ke: palanghitam@riseup.net

.
Produksi kaos ini kami dibantu oleh kawan-kawan @klepto69 yang kebetulan punya alat sablon super oke
